Dear Parents,

We hope you had a restful break and all that chocolate is out of the way. As last term was longer than normal – so this term is shorter – only 8 Weeks. We are trying to pack a lot into these 8 weeks and I'm sure your young person is going to have a Mega time which is our theme this term inline with Megamind.

Communication is always the key, You can download term plans at our web site (<http://www.ahcoc.com/>) and we post upcoming information on our facebook Page – 'Arana Youth'. - Our goal is to make Friday nights a fun, safe place for young people, creating an atmosphere where we can enjoy each other's company, meet new friends and discuss the deeper areas of life and the Hope we can have – today.
